

GRADUATE COORDINATORS ADVISORY COUNCIL (GCAC)

Department	
Dr. Tony Doggett	Counseling & Educational Psychology
Dr. Kent Coffey	Curriculum, Instruction & Special Education
Dr. Linda Cornelious	Instructional Systems & Workforce Development
Dr. Frankie Williams	Leadership & Foundation
Dr. John Lamberth	Kinesiology

Purposes

The role of the Graduate Coordinators Advisory Council is to provide recommendations to the Dean of the College of Education on matters related to graduate programs in the college. Those recommendations relate to graduate faculty appointments, curriculum requirements, and similar issues. Each department with graduate degree programs in the college has one representative on the council. That person is typically the Graduate Coordinator for his / her department. The council meets monthly during the academic year.
