Purposes

The External Advisory Board (EAB) serves as a forum for the College of Education to share news, data, other relevant information concerning the college with community leaders and P12

“Changing Tomorrow Through Education Today”

professionals. The members of the EAB serve in an advisory role to the Dean. Suggestions from the EAB are reviewed and implemented as appropriate.

Membership

Members for the EAB are selected from community and P12 professionals that are served by the Mississippi State University College of Education by the Dean's Office. Members are selected annually, but are not limited to a one-year term.
