Purposes and Procedures

The OCFBI Advisory Committee, comprised of a representative from each program area, the Associate Dean, the alternate route program directors, a university supervisor, a classroom mentor teacher, and a P-12 principal. The OCFBI Advisory Committee aids in the design and review of curricula, requirements, and assessments for initial and advanced programs and ensures open lines of communication in the unit. The OCFBI Advisory Committee in collaboration with program areas, make necessary changes in programs and courses, based on focus group feedback, to improve teacher education programs within the unit.

“Changing Tomorrow Through Education Today”
