Dear Student:

The information requested about your future plans and experiences at Mississippi State University (MSU), along with your demographic information (such as race, gender, major, etc.) will be used as an assessment designed to improve graduate programs and services at MSU for future students. In addition to this information being used for internal purposes at MSU, there may also be opportunities to use it for research that is designed to improve programs at MSU and other institutions. If you agree to allow use of this information for research, your name and all other direct identifiers will be removed before the information is provided for analysis. While it is possible some respondents could be identified indirectly from this information through University records, the researchers have no intent to link answers back to any individual student. Please note your approval to allow your responses to be used for research is completely voluntary. The reported results of that research will not include your name or any other way to identify you. There are no anticipated risks associated with your participation. Refusal to allow this data to be provided for research purposes will have absolutely no impact on your standing at MSU or your application for graduation. If you have questions about the research, please contact the Office of Graduate School at 662-325-7400. If you have questions about your rights as a research participant, you may contact the MSU Institutional Review Board (IRB) at 662-325-3994. You may print this page for your records.
