**Purposes and Procedures**

Membership on the College of Education Technology Committee will be comprised of one appointed member from each academic department appointed by the department head. Members from each department must hold rank of assistant professor. Centers and institutes will also appoint representatives to the Technology Committee. Members will serve two-year terms.

The purposes of the Technology Committee will be to:

1. Develop and monitor the implementation of a Technology Plan;
2. Plan forums to discuss relevant issues; and
3. Provide faculty, staff, and students with assistance in accomplishing the goals of the plan.
