### **Purposes and Procedures**

This committee consists of undergraduate and graduate program coordinators from departments/units in the College of Education.

The purpose of the committee is to create plans and goals to recruit, and support completion of, quality students from a broad range of backgrounds and diverse populations and ensure that recruitment materials and presentations accurately represent the College of Education and University's practices and policies. The members will serve as liaisons to ensure that representation is available for various recruitment events.

The primary responsibilities of members will be to:

- Examine enrollment data and identify trends across the college
- Update committee on any changes to program offerings
- Discuss strategies to improve enrollment in the College
- Attend (or secure a replacement) for various recruitment events
