

Summary Institution-Level Pass Rate Data: *Alternative Teacher Preparation Program Within IHE*

Due to COVID-19, the Mississippi Department of Education (MDE) Division of Educator Licensure suspended licensure testing requirements for all individuals completing a teacher education preparation program. This exemption applied to students admitted into these programs beginning in spring 2020 and remained in effect through December 31, 2023. As a result, for the 2021–2022, 2022–2023, and 2023–2024 testing cycles, licensure assessment data were either unavailable or insufficient to report due to the limited number of test-takers.
