\* Due to Covid-19, the Mississippi Department of Education Division of Educator Licensure suspended licensure testing requirements for individuals completing an educational leadership program. This exemption applied to students admitted in spring 2020 and remained in effect through December 31, 2023, for those completing the program. As a result, testing data were not available (NA) for the 2021–2022, 2022–2023, and 2023–2024 testing cycles. Additionally, not all students take the licensure test immediately after program completion, causing the number of examinees to vary.
