Purposes and Procedures

The OCFBI Advisory Committee aids in the design and review of curricula, requirements, and assessments for initial and advanced programs and ensures open lines of communication in the unit. The OCFBI Advisory Committee in collaboration with program areas makes necessary changes in programs and courses, based on focus group feedback, to improve teacher education programs within the unit. The OCFBI Advisory Committee is comprised of a representative from each program area, the Associate Dean of Academic Affairs, the alternate route staff, a university supervisor, a classroom mentor teacher, and a P-12 principal.
