

## Measure 3: Candidate Competency at Program Completion (Component R3.3 - Initial – Traditional Route)

This table presents the institutional Title II summary licensure assessment results for Mississippi State University program traditional route completers during the 2024–2025 academic year.

**Table: Summary Pass Rate – Traditional Route Completers (2024–2025)**

Group	Number Taking Assessment <sup>1</sup>	Number Passing Assessment	Institutional Pass Rate
All Traditional Route Program Completers, 2024–2025	267	201	75%

<sup>1</sup> - Number of completers taking one or more assessments within their area of specialization.

### Analysis of Results

During the 2024–2025 academic year, Mississippi State University reported an institutional licensure assessment pass rate of 75% for traditional program completers. A total of 267 completers attempted one or more licensure assessments, and 201 successfully met state performance benchmarks. These results indicate that a substantial majority of completers demonstrated the content knowledge and skills required for initial licensure.

The summary pass rate reflects each candidate being counted once regardless of the number of assessments attempted.
