Purposes and Procedures

The purposes of the Barry F. Box Curriculum Council are to initiate or hear suggestions for the improvement of instructional programs within the College of Education; coordinate the curriculum for the College of Education; determine if proposed curricula and courses are within the scope of the stated mission and goals of the state, university, and College of Education; serve as the recommending body for the modification, addition, or deletion of courses and degree programs in the College of Education; represent the College of Education in relation to university-wide curriculum matters; promote academic excellence and a professional image for the College of Education; and accept special assignments as requested by the Dean of the College of Education.

“Changing Tomorrow Through Education Today”

Membership

Membership of the Barry F. Box Curriculum Council is comprised of two faculty members from each academic department. Each member of the council serves a period of two years.
