

**Item 1. Impact on P12 Learning and Development for AY21 -- Mississippi State University (MSU), Traditional Route**

"Statewide All Teachers" section includes test data for every student of every teacher in MS public schools.

"Statewide EPP Total" section includes test data for students taught by a completer from the 14 EPPs participating in the Impact Report. These 14 institutions are Alcorn State University, Belhaven University, Blue Mountain College, Delta State University, Jackson State University, Mississippi College, Mississippi State University, Mississippi University for Women, Mississippi Valley State University, Teach Mississippi Institution (TMI), Tougaloo College, University of Mississippi, University of Southern Mississippi, and William Carey University.

"Institution EPP Total" section includes test data from students taught by a Mississippi State University completer from the indicated cohort.

Mississippi State University completers had more students to perform at the proficient or advanced level as indicated in the gray highlighted areas than all teachers statewide.

Mississippi State University completers had more students to perform at the proficient or advanced level as indicated in the light maroon highlighted areas than all other EPP first year/second year teachers.

Item 1. Impact on P12 Learning and Development for AY19 -- Mississippi State University (MSU), Traditional Route

"Statewide All Teachers" section includes test data for every student of every teacher in MS public schools.

"Statewide EPP Total" section includes test data for students taught by a completer from the 14 EPPs participating in the Impact Report. These 14 institutions are Alcorn State University, Belhaven University, Blue Mountain College, Delta State University, Jackson State University, Mississippi Alternate Path to Quality Teachers (MAPQT), Mississippi College, Mississippi State University, Mississippi University for Women, Teach Mississippi Institution (TMI), Tougaloo College, University of Mississippi, University of Southern Mississippi, and William Carey University.

"Institution EPP Total" section includes test data from students taught by a Mississippi State University completer from the indicated cohort.

Mississippi State University completers had more students to perform at the proficient or advanced level as indicated in the gray highlighted areas than all teachers statewide.

Mississippi State University completers had more students to perform at the proficient or advanced level as indicated in the light maroon highlighted areas than all other EPP first year/second year teachers.
